One structure for prayer is given by the acronym "ACTS", representing adoration, confession, thanksgiving and supplication (or intercession.) This is one order, where we start off focusing on who God is, and praising God.

Adoration is to adore God, to worship God and to fulfill the commandment to love God with all of our heart, mind and soul. As we spend time in adoration, we praise God for who God is - our Creator, our Sustainer and our Redeemer.

Confession allows us to tell the truth about ways are against God's way and hinder your in the relationship between you and God. All of us have sinned. St John writes in his epistle "If we claim to be without sin, we deceive ourselves and the truth is not in us. If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness." (1 John 1:8-9)

Thanksgiving. From childhood we are brought up to say "Thank You" when someone does something for us, or gives us a gift. Each moment God is blessing us, every minute we can recall the wonderful things that God has done for us, and the gifts that we have been given. And so, we need to be constantly thanking God for the many blessings. In writing to Timothy, Paul makes it clear that we also need to be giving thanks for everyday, worldly things "I urge, then, first of all, that requests, prayers, intercession and thanksgiving be made for everyone— for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness." 1 Tim 2:1.

Supplication or Intercession. Finally we come to ask God for our needs and the needs of others. There are many demands on our prayer time - many topics and issues that we could pray for, so we need to choose, and to be specific.
